5       hancement Act”.

6       **SEC. 2. GRANT PROGRAM.**

7       The Secretary of Education may provide grants—

1           (1) to State educational agencies and local edu-  
2           cational agencies for providing intensive technical as-  
3           sistance for, and assisting the implementation of, the  
4           EnergySmart Schools Program of the Department  
5           of Energy and the Energy Star for K–12 School  
6           Districts program of the Environmental Protection  
7           Agency;

8           (2) to local educational agencies that become  
9           partners through the Energy Star for K–12 School  
10          Districts program of the Environmental Protection  
11          Agency; and

12          (3) to State educational agencies for use in the  
13          development of State-level school energy efficiency  
14          quality plans, in partnership with the Department of  
15          Energy, including—

16                (A) standards for school building design,  
17                construction, and renovation; and

18                (B) proposals for the systematic improve-  
19                ment (including benchmarks and timelines) of  
20                environmental conditions in and around schools  
21                throughout the State, including—

22                      (i) environmentally preferable pur-  
23                      chasing of products for instruction and  
24                      maintenance;

- 1 (ii) increasing the use of alternative  
2 energy fuels in school buses; and  
3 (iii) maximization of transportation  
4 choices for students, staff, and other mem-  
5 bers of the community.

6 **SEC. 3. FEDERAL SHARE.**

7 The Federal share of the cost of a project or activity  
8 carried out using funds from a grant under this Act shall  
9 not exceed 90 percent.

10 **SEC. 4. GRANT PRIORITY.**

11 In providing grants under section 2(1), the Secretary  
12 of Education shall give priority to projects to provide as-  
13 sistance to school districts that have a demonstrated need  
14 for energy efficiency improvement.

15 **SEC. 5. DEFINITION.**

16 For purposes of this Act, the terms “State edu-  
17 cational agency” and “local educational agency” have the  
18 meanings given those terms in section 9101 of the Ele-  
19 mentary and Secondary Education Act of 1965 (20 U.S.C.  
20 7801).

21 **SEC. 6. AUTHORIZATION OF APPROPRIATIONS.**

22 There are authorized to be appropriated to the Sec-  
23 retary of Education to carry out this Act such sums as
